The following conditions apply:

1. Staff must provide a Building Permit or be exempt BP # _____ OR _____ Exempt.
2. The Applicant must ensure that the area is maintained in a clean and safe condition at all times.
3. The container shall be emptied on a regular basis.
4. The container is not intended to be used for residential garbage.
5. The container should be designed and maintained so as to prevent the intrusion of rain, water, or pests.
6. The container must not block access to neighboring property.
7. The container must not hinder vehicle sightlines for crosswalks or intersections.
8. The container must be placed flush against the curb to eliminate projection into the traffic lane.
- 9. A minimum of one (1) square foot of reflective tape must be attached to both ends of the container at the corners to ensure that it is easily visible to oncoming traffic.**
10. The container is permitted to be parked in contravention of the posted timed parking limits, however it must otherwise be legally parked (i.e) the container must not be placed beside a yellow curb line blocking fire hydrants or within four (4) meters of an intersection, or crosswalk.
11. The containers must not protrude onto sidewalk, roadway or be placed on curbing.
12. Permittee is responsible for any damage to pavement, curbing, or other City property.
- 13. Permittee must obtain approval from the Ministry of Highways and Infrastructure and if the container is to be placed on McBride Street, 2nd Avenue West and / or Park Avenue.**
14. If it is necessary to block off the street and / or sidewalk, the Applicant must ensure that they have obtained the Application for Street / Sidewalk Closure Permit.
15. The containers placed on City Property contrary to City Policies are subject to fines.
