Waterfront Planning Open House

As part of the ongoing municipal planning process the City of Prince Rupert is undertaking a waterfront land use planning exercise encompassing the Kwinitsa Station area east to the Galloway Rapids Bridge. To start this exciting project an open house is scheduled for Wednesday, June 27, 2012 at the Lester Centre of the Arts from 7:00 p.m. to 10:00 p.m. If you are not able to attend on Wednesday evening there will be the second open house on Thursday, June 28, 2012 in Council Chambers at City Hall. Thursday's open house will be conducted from 11:30 a.m. to 1:30 p.m. and then again from 3:00 p.m. to 6:00 p.m.

Community planning is not complete without community participation. Although this is only the beginning, and more opportunities will present themselves in the future, the City would like to start productively. This is an excellent opportunity to participate and contribute to the future well being of your community.
