**Present:** Keith Lambourne, Victor Prystay, Heather Bullock, Dorothy Wharton, Ben Morrison, Elaine Hembroff, Jeff Clarke, Zeno Krekic, Candice Campbell

These notes include comments without editing and are not in any order of priority:

- Grassy Bay should be more accessible to people as Butze Rapids caters to the younger athletic type.
- Would like to see a Marina down by the Kwinitza Station.
- Should look at having proper/more moorage in the City.
- Would like to see ranch style homes(one floor) and/or condos built for people who have retired but are looking to downsize and stay in the area.
- A park down at the end of Seal Cove as well as park benches.
- Construct residential housing near the Sealcove Seaplane base area.
