

RE:BUILD RUPERT

UPDATE

December 4th, 2015

Sidewalk renewal on 3rd Avenue continues

Contractors continue to work on sidewalks in the 100 Block of 3rd Avenue West. Local businesses affected by the work will be notified prior to construction, and steps will be taken to mitigate any impacts.

Rushbrook Boat Launch is Open!

Residents will see major enhancements to the Rushbrook Improvement Area, with the final curbing at the bottom of the boat ramp now complete. Thank you for your patience during construction.

Replaced Sewer main on Bellis Road

City Crews continue to work on the extensive sewer main replacement on Bellis Road and Seal Cove Road. The project should be complete next week. We thank the public for their patience with the traffic interruptions.

Replaced Sewer main on 2nd Avenue West

Workers have now replaced a section of collapsed sewer main between two manholes in the beginning of the 1200 block of 2nd Avenue West.

Water main break at Applewhaite Drive

The repairs to the water main on Applewhaite Drive are complete, however the final paving of the road will not occur until the Spring.

**HAPPY
HOLIDAYS!!**

****Re:Build Rupert Updates will
resume in the New Year!**
