Why do we require red bracelets?

In BC 29.4% of swimming pool deaths happen in preschool aged children. This is because children this age are inquisitive and take advantage of their ever-expanding range and speed of mobility. They also have no awareness of looming aquatic dangers so it is up to parents, caregivers and lifeguards to protect them.

Here is how we can work together for swim safety:

- **Children under 7 must be within arm's reach of caregivers and wear a red bracelet.** This means you are actively participating with your child and watching them at all times. This is a standard across BC and a provincial pool regulation.
- No more than 3 children under 7 years per caregiver. These little monkeys are movers and you have to be ready to support all of them, wearing a red bracelet can help the lifeguards assist you as well by reminding you and the child under 7 to remain within arm's reach.
- Restrict and control access to water. It is great to set pool boundaries with your child and where you can go together in the pool. A great tip is to call the out-of-bounds zones, 'Lava Zones'. We don't want to go near hot dangerous lava!
- Children who cannot swim, learning to swim or have a tendency to scoot beyond arms reach regularly should always wear a lifejacket.
- Following the pool rules and direction from lifeguards allows for unlimited fun in the water!

I am coming to the Aquatic Centre, what can I expect?

Member Only Lane Swim (18+)

Patrons must have an active membership to attend (no drop-ins, tickets, or courtesy passes). No lifeguard on deck. Main pool has minimum of 2 lanes for lap swimming; dive tank closed. Tot pool, sauna, & hot tub may be available. May be limited to 39 patrons.

Leisure Swim - Limited Use (13+ unless accompanied by an adult)

Both pools may be open; diving board & rope swing may be available. Sauna & hot tub open. Main pool has minimum of 1 lane for lap swimming. This swim is limited to 39 patrons.

Leisure Swim (16+ unless accompanied by an adult)

Spend family time together while being active. Adults are welcome to attend without children. Both pools may be open; diving board & rope swing may be available. Sauna & hot tub open. Minimum of 1 lane for lap swimming. May be limited to 39 patrons.

Public Swim (All ages)

Both pools open; diving board & rope swing available. Sauna & hot tub open. Main pool has minimum of 1 lane for lap swimming.

Fitness Centre (16+)

Recreation Facility Use Guidelines

The recreation facilities are public facilities and it is important to be respectful to everyone, their beliefs, opinions, belongings and feelings. To ensure your visit is safe, comfortable and enjoyable please adhere to the following:

Code of Conduct:

- Be respectful of directions given by staff or volunteers to ensure a safe and clean environment. Follow all posted signage.
- Ensure conversation, behavior, music and language is appropriate for a public facility that caters to all cultures, diversities and age groups. Violence, bullying and harassment will not be tolerated.
- Be respectful of the facility and equipment, inside and outside. Deliberate destruction, damage, theft or vandalism will not be condoned.
- Drugs, alcohol, and items that would be deemed as weapons are prohibited on site. Intoxication or other signs of impairment related to alcohol or illegal drug consumption will not be tolerated.
- Please report any witnessed misconduct or suspicious activity to facility staff.

Wristbands and Child Safety Supervision Rules:

- Children under the age of 7 must wear a red wristband in the pool. Care takers to have no more than three children under the age of 7 under their direct supervision.
- Children will not be permitted to loiter on recreation property during school hours.
- Children under the age of 14 are not permitted to use the fitness centre. Children between the ages of 14 and 18 are required to have a parent/guardian sign a waiver.

Facility Rules & Fitness Centre Etiquette:

- Clean and close-toed footwear to be worn at all times. No outdoor, open-toed, open-backed or bare feet allowed.
- Please share equipment and space.
- Please wipe down and put back fitness equipment after use.
- No bouncing of balls or shooting of pucks in hallways.
- No food or glass beverages containers, water bottles only.
- Please ensure children are supervised.
- Please avoid heavily scented products in consideration for others and allergy concerns.

Cameras and Video Recording:

Video and photos may be taken in public spaces throughout the facility. Privacy in changeroom and bathrooms must be adhered to. If you are taking photos of people or groups please ask permission.

First Aid and Emergencies:

Please report first aid or emergencies to staff immediately or call 911.

Thank you for keeping our facility safe and enjoyable!

IMPACT

KIDSPORT PAYS. KIDS PLAY.

At KidSport we believe sport powers kids. Getting in the game ignites a sense of belonging, shapes character, fuels better health, builds confidence and unleashes potential.

But the cost of registration fees can be a barrier for many families.

Through a confidential application process, KidSport provides funding for kids from families that need financial support to help cover the cost of sport registration fees #SoALLKidsCanPlay!

With local chapters across the province - most of which are volunteer-run, funding for KidSport helps shape sport in over 200 communities each year.

For communities that don't have a local chapter, grant requests are supported through the BC Provincial Chapter.

6 different sports funded through KidSport grants:

Figure Skating, Gymnastics, Hockey, Soccer, Softball, Taekwondo

"I just wanted to thank you for your generosity and support. Because of the opportunity you have provided our son, he is one step closer to achieving his dreams. He is has been so happy since he started this new journey. He is always counting down the days for his next practice and game. We hope to one day give back and help other kids achieve their goals just as you have helped our son."

NEED SUPPORT? WE CAN HELP

HOW TO APPLY

1. Register your child with an eligible sport club*.
**Must be affiliated with a Sport BC member (see website for details).*
2. Submit a grant application online or complete our paper application.
3. If approved, funds are sent to the sport club. Please allow up to 60 days for notification of application status.

WANT TO HELP? WE NEED YOU

WHY KIDSPORT?

- Cost keeps 1 in 3 Canadian kids out of organized sport.
- Only 39% of kids and teens (5-17 years) are meeting national physical movement guidelines.
- Participation in sport promotes the development of children's social, mental, and physical well-being.

General Program Information

This swim program offers lesson sets throughout the year, typically consisting of 8 to 10 classes. Registration closes after the second class, and instructors may move participants to a more appropriate level based on skill.

Supervision & Safety

Children under 7 must remain within arm's reach of a caregiver aged 16 or older at all times. Caregivers must also escort young children to the washroom and remain available during lessons. **Spectating is limited to the lobby or viewing area unless a transition plan has been arranged with the instructor and/or Aquatic Coordinator.**

Participants are asked to arrive with enough time to get ready and be on the pool deck by the start of their scheduled lesson. Instructors will assign designated meeting spots during the first session. To help maintain water quality and ensure a healthy environment, please shower, use the washroom, and blow your nose before entering the pool.

Please notify instructors of any medical conditions, whether minor or significant.

What to Bring

- Bathing suit and towel.
- Long hair should be tied back or a swim cap may be worn.
- Goggles are permitted but not required. Please note that all swim skills are to be performed without the use of goggles and it's encouraged that children learn to put on their own goggles.
- Children who are not toilet trained need to be wearing a **swim diaper**. Please inform the instructor immediately if your child has an accident in the pool.
- Children who are cold in the water may wear a thermal bathing suit or fitted undershirt to help stay warm.

Progress & Evaluation

Progress is monitored continuously—there is no test day—and report cards are given out at the end of the session, both in print and electronically. Please remember that children learn and progress at different levels. Children must demonstrate all “must see” items on the back of their test sheet in order to pass a skill. Instructors can explain the “must see” for the skills that require practice. Consistent attendance and practice outside of class are strongly encouraged.

Did You Know? It can take 20 to 25 fully attended sessions for a child to complete a level.

Special Requests & Private Lessons

We strive to make swimming lessons safe and accessible for everyone. We offer both integrated group lessons as well as private lessons for participants of all abilities. We can accommodate special requests such as endurance training, strengthening kicks, or comfort in water and try to honour all requests to the best of our ability.

Private lessons are prescheduled, please call the facility or visit our front desk for any available dates and times. Please note that these prescheduled lessons are on a first come first served basis.

Should my Child Move from Preschool Level to Swimmer Level?

Have a soon-to-be 5-year-old and not sure which swim level they should join? Check out the chart below to find the best fit.

Still have questions?

Please reach out directly to us by calling **(250) 627-7946** or ask our front desk for a swim brochure.

Aquafit

Aquafit: Shallow Water

Water workouts are a great way to get fit and to keep fit! The natural buoyancy of water reduces weight bearing stress, allowing greater ease of movement with less strain on bones, joints, and muscles. The increased density of water creates even and fluid resistance in all directions, comfortably toning and strengthening muscles with greater balance

W/F	10am - 10:45am	Regular admission applies

Applied Coastal Ecology

Starts September 2026 | Prince Rupert
Two-Year Diploma or One-Year Post-Degree Diploma

Learn how to protect our coastlines.

Our Applied Coastal Ecology (ACE) program is all about hands-on learning. Your classroom will be both indoors and outdoors, on land and on the ocean. ACE prepares you for a career in coastal natural resource management, ecosystem restoration, and other related fields.

You'll learn biology, geography, chemistry and oceanography, along with tech training in GIS mapping and surveying. You'll have the knowledge and experience you need to join the workforce or continue your education at another BC university.

Why Choose Our Program?

- **Integrated Learning:** Gain employment ready skills and experience by working on real community-based projects.
- **Hands-On Experience:** Our programs combine studying theory with practical projects to apply your new skills.

VOLUNTEER

Belayers Needed

Did You Know?

Children as young as 2-years-old can participate in climbing wall programs.

Our After-School Open Climbing Wall runs every Tuesday from 3:30–4:30 PM, and we're looking for volunteer belayers to help make this program possible. Do something great for the community, and earn your graduation volunteer hours at the same time!

Contact Heidi at heidi.dewildt@princerupert.ca for more information.

Intro to Climbing: Learn to Belay

Ages 12+

This introductory course teaches the skills needed to climb and belay safely in an indoor climbing environment. Participants will learn about the gear and techniques to safely top-rope climb, including harnesses, ropes, tie-in knots and the belaying procedures needed to take the belay test. Basic climbing movement technique will also be covered.

**Participants will be required to take a belay test at a subsequent visit to the wall in order to receive their Top Rope card, allowing them to act as a belayer at the wall.*

Did You Know?

More than 60% of climbers say problem-solving and mental focus are key parts of the sport, making climbing as much a brain workout as a physical one.

Interested in Climbing? Us too!

Indoor climbing is one of the fastest-growing sports worldwide, and for good reason! What started as off-season training for rock climbers is now a thrilling, full-body workout and mental challenge all on its own. Great for all ages, climbing builds strength, focus, and confidence.

Climbing is done in pairs, so bring a buddy or sign-up in a group! All gear is provided, just bring clean running shoes or rent climbing shoes on-site.

To belay, you'll need to complete an **Intro to Climbing: Learn to Belay** session or pass a belay test.

All participants under 18 must have a guardian-signed waiver on file before climbing.

Huge shoutout to our dedicated **Climbing Wall Instructors** and the incredible team at **Rockfish Climbing Co-Op** for all their hard work and commitment in keeping the Climbing Wall running safely and smoothly.
