Why do we require red bracelets?

In BC 29.4% of swimming pool deaths happen in preschool aged children. This is because children this age are inquisitive and take advantage of their ever-expanding range and speed of mobility. They also have no awareness of looming aquatic dangers so it is up to parents, caregivers and lifeguards to protect them.

Here is how we can work together for swim safety:

- **Children under 7 must be within arm's reach of caregivers and wear a red bracelet.** This means you are actively participating with your child and watching them at all times. This is a standard across BC and a provincial pool regulation.
- No more than 3 children under 7 years per caregiver. These little monkeys are movers and you have to be ready to support all of them, wearing a red bracelet can help the lifeguards assist you as well by reminding you and the child under 7 to remain within arm's reach.
- Restrict and control access to water. It is great to set pool boundaries with your child and where you can go together in the pool. A great tip is to call the out-of-bounds zones, 'Lava Zones'. We don't want to go near hot dangerous lava!
- Children who cannot swim, learning to swim or have a tendency to scoot beyond arms reach regularly should always wear a lifejacket.
- Following the pool rules and direction from lifeguards allows for unlimited fun in the water!

I am coming to the Aquatic Centre, what can I expect?

18+ Member's Swim

Participants must have an active monthly membership to attend the 18+ Members' Swim (no drop-ins, tickets, or courtesy passes will be permitted). No lifeguard on deck. Recreation Facility Use Guidelines

The recreation facilities are public spaces intended to provide a safe, welcoming, and enjoyable environment for all users. Visitors are expected to show respect for others, including their beliefs, opinions, belongings, and personal well-being.

Code of Conduct:

To help maintain a safe and inclusive environment, all patrons are expected to:

- Follow directions provided by staff or volunteers and comply with all posted signage.
- Use respectful language and behavior appropriate for a public facility serving all ages, cultures, and diverse community members. Violence, bullying, harassment, or disruptive behavior will not be tolerated.
- Treat the facility, grounds, and equipment with care. Theft, vandalism, deliberate damage, or misuse of property is prohibited.
- Refrain from bringing or using drugs, alcohol, or weapons on facility property. Intoxication or signs of impairment related to alcohol or illegal drugs will not be tolerated.
- No children loitering within the recreation facility and/or property during school hours.
- Report any misconduct, unsafe behavior, or suspicious activity to facility staff immediately.

General Facility Rules:

- Clean, closed-toe footwear must be worn at all times in the gymnasium and auditorium.
- Outdoor footwear, open-toed shoes, open-backed shoes, and bare/sock feet are not permitted in the gymnasium and auditorium.
- Ball bouncing, puck shooting, or similar activities are not permitted in hallways or common areas.
- Food and glass beverage containers are not permitted in gym, pool or fitness center. Plastic water bottles only.
- Please avoid the use of heavily scented products in consideration of others and allergy sensitivities.
- Parents and guardians are responsible for ensuring children are actively supervised at all times.

Fitness Centre Etiquette:

- To ensure a safe, respectful, and positive experience for all fitness center users, patrons are asked to follow these guidelines:
- Share equipment and workout space respectfully during busy periods.
- Clean, closed-toe footwear is required in the fitness center.
- Wipe down all equipment after use, using the provided cleaning supplies.
- Return all weights, accessories, and equipment to their designated storage areas after use.
- Use equipment responsibly and in accordance with posted instructions or staff direction.
- Be mindful of noise levels and always be considerate of other users.

Cameras and Video Recording:

Photos and videos may be taken in public areas of the facility. Privacy must always be respected in changing rooms and washrooms. Please obtain permission before photographing or recording individuals or groups.

Aquafit

Aquafit: Shallow Water

Water workouts are a great way to get fit and to keep fit! The natural buoyancy of water reduces weight bearing stress, allowing greater ease of movement with less strain on bones, joints, and muscles. The increased density of water creates even and fluid resistance in all directions, comfortably toning and strengthening muscles with greater balance and efficiency.

F	9:15am - 10am	Regular admission applies

General Program Information

This swim program offers lesson sets throughout the year, typically consisting of 8 to 10 classes.

Registration closes after the second class, and instructors may move participants to a more appropriate level based on skill.

Supervision & Safety

Children under 7 must remain within arm's reach of a caregiver aged 16 or older at all times.

Caregivers must also escort young children to the washroom and remain available during lessons.

Spectating is limited to the lobby or viewing area unless a transition plan has been arranged with the instructor and/or Aquatic Coordinator.

Participants are asked to arrive with enough time to get ready and be on the pool deck by the start of their scheduled lesson. Instructors will assign designated meeting spots during the first session. To help maintain water quality and ensure a healthy environment, please shower, use the washroom, and blow your nose before entering the pool.

Please notify instructors of any medical conditions, whether minor or significant.

What to Bring

- Bathing suit and towel.
- Long hair should be tied back or a swim cap may be worn.
- Goggles are permitted but not required. Please note that all swim skills are to be performed without the use of goggles and it's encouraged that children learn to put on their own goggles.
- Children who are not toilet trained need to be wearing a **swim diaper**. Please inform the instructor immediately if your child has an accident in the pool.
- Children who are cold in the water may wear a thermal bathing suit or fitted undershirt to help stay warm.

Progress & Evaluation

Progress is monitored continuously—there is no test day—and report cards are given out at the end of the session, both in print and electronically. Please remember that children learn and progress at different levels. Children must demonstrate all “must see” items on the back of their test sheet in order to pass a skill. Instructors can explain the “must see” for the skills that require practice. Consistent attendance and practice outside of class are strongly encouraged.

Did You Know? It can take 20 to 25 fully attended sessions for a child to complete a level.

Special Requests & Private Lessons

We strive to make swimming lessons safe and accessible for everyone. We offer both integrated group lessons as well as private lessons for participants of all abilities. We can accommodate special requests such as endurance training, strengthening kicks, or comfort in water and try to honour all requests to the best of our ability.

Private lessons are prescheduled, please call the facility or visit our front desk for any available dates and times. Please note that these prescheduled lessons are on a first come first served basis.

Should my Child Move from Preschool Level to Swimmer Level?

Have a soon-to-be 5-year-old and not sure which swim level they should join? Check out the chart below to find the best fit.

3rd Annual Northern Savings

UNPLUG & PLAY

January 18 - 24, 2027

Unplug and Play Week invites families to ditch the screens and rediscover the joy of playing, moving, and connecting together.

Held every January, this community-wide event celebrates healthy habits, physical literacy, and Family Literacy Week in BC. It's the perfect way to kickstart a year of active living and family fun.

Unplug. Play. Connect.
Join the movement!

Ways to Get Involved:

Host an Activity or Event

Help us fill our activity calendar by hosting a free (or low-cost) activity for community members between January 18-24. Contact Heidi, Recreation Coordinator, at heidi.dewildt@princerupert.ca with your ideas!

Donate

In addition to Northern Savings annual committed contribution of \$5000, we are looking for other community partners and industry to help support access for all in our community. This initiative will support community members on a fixed income to access recreation programs and events throughout the year. Contact Brian, Recreation and Community Services Manager, at brian.millis@princerupert.ca for more information.

KIDSPORT PAYS. YOUR KID PLAYS.

We owe ALL kids the chance to experience everything sport has to offer.

At KidSport Prince Rupert we believe sport powers kids. Getting in the game ignites a sense of belonging, shapes character, fuels better health, builds confidence and unleashes potential. But the cost of registration fees can be a barrier for many families. Through a confidential application process, KidSport provides funding for kids from families that need financial support to help cover the cost of sport registration fees #SoALLKidsCanPlay!

NEED SUPPORT? WE CAN HELP

HOW TO APPLY

1. Register your child with an eligible sport club*.
**Must be affiliated with a Sport BC member (see website for details).*
2. Submit a grant application online or complete our paper application.
3. If approved, funds are sent to the sport club.
Please allow up to 60 days for notification of application status.

WANT TO HELP? WE NEED YOU

WHY KIDSPORT?

- Cost keeps 1 in 3 Canadian kids out of organized sport.
- Only 39% of kids and teens (5-17 years) are meeting national physical movement guidelines.
- Participation in sport promotes the development of children's social, mental, and physical well-being.

VOLUNTEER

Belayers Needed

Did You Know?

Children as young as 2-years-old can participate in climbing wall programs.

Our After-School Open Climbing Wall runs every Tuesday from 3:30–4:30 PM, and we're looking for volunteer belayers to help make this program possible. Do something great for the community, and earn your graduation volunteer hours at the same time!

Contact Heidi at heidi.dewildt@princerupert.ca for more information.

Intro to Climbing: Learn to Belay Ages 12+

This introductory course teaches the skills needed to climb and belay safely in an indoor climbing environment. Participants will learn about the gear and techniques to safely top-rope climb, including harnesses, ropes, tie-in knots and the belaying procedures needed to take the belay test. Basic climbing movement technique will also be covered.

**Participants will be required to take a belay test at a subsequent visit to the wall in order to receive their Top Rope card, allowing them to act as a belayer at the wall.*

Interested in Climbing? Us too!

Indoor climbing is one of the fastest-growing sports worldwide—and for good reason! What started as off-season training for rock climbers is now a thrilling, full-body workout and mental challenge all on it's own. Great for all ages, climbing builds strength, focus, and confidence.

Climbing is done in pairs, so bring a buddy or sign-up in a group! All great is provided—just bring clean running shoes or rent climbing shoes on-site.

To belay, you'll need to complete an **Intro to Climbing: Learn to Belay** session or pass a belay test.

All participants under 18 must have a guardian-signed waiver on file before climbing.

Huge shoutout to our dedicated **Climbing Wall Instructors** and the incredible team at **Rockfish Climbing Co-Op** for all their hard work and commitment in keeping the Climbing Wall running safely and smoothly. We couldn't do it without you!
