Bylaw Guidelines

1. BLASTING BYLAW

SEC.

2. No blasting of any kind is allowed without a permit.

Blasters must provide:

1. A valid Blaster's certificate (granted by WCB)
2. A Comprehensive General Liability Insurance Policy of not less than \$2,000,000. This must be checked by verification with the Insurance Company.

2:06 **The Blaster must ensure that the blasted area is left in a safe condition and contact**

2:07 **The Engineer for a final inspection and approval of the blasting area.**

The Engineer may refuse to grant an application for a permit.

2:11 TO CANCEL / SUSPEND A PERMIT

A permit may be cancelled or suspended if operations are carried out in an unsafe or negligent manner.

The Engineer must give written notice to the blaster in person or via registered mail or by posting a STOP WORK ORDER.

2:12 BLASTING HOURS

9:00 a.m. – 9:00 p.m. Monday to Saturday (incl.) unless permission is specifically granted by the Engineer.

300' RULE

- Blasting cannot take place if fog restricts clear sighting to less than 300'.
- Blasting within 300' of a residence requires that the inhabitants be given verbal or written notice **24 hours in advance**.

2:13b) TRAFFIC AND PEDESTRIAN CONTROL

- Must be provided by the Blaster.

2:13c) 1000' RULE

Schools / Hospitals must be notified 24 hours in advance if a blast is to take place within 1000'.

For schools this is only the case 8:00 a.m. – 4:00 p.m. on school days

2:13d) PUBLIC UTILITY

Twenty- four (24) hours' notice, is required to be given to the owner of the utility setting out the time and exact location.

The blaster shall safeguard the utility from blasting damage.

3:02 PERMITS

\$50.00 for 7 days

PENALTY FOR OFFENCE (According to the Offence Act.)
